EXPERIENCE

Architectural Intern
May 2025 – Present
Cincinnati Recreation Commission · Cincinnati, OH

- Developed planting designs, plant schedules, and maintenance recommendations for parks and recreation sites.
- Created park layout concepts, GIS maps, and AutoCAD drawings to support planning, design, and field documentation.
- Conducted field work, site review, and data collection to inform design updates and facility improvements.

Director of Health & Safety
Apr 2021 – Present
Oasis Turf & Tree · Loveland, OH

- Built Health & Safety systems and educational resources; taught First Aid, CPR, workplace safety, and agronomy.
- Created a wellness program for employee health and well-being.
- Developed 3 acres of landscapes, hardscapes, and walking trails under the supervision of a landscape architect.

Firefighter / Paramedic
Apr 2020 – Apr 2021
Paramedic Services of Illinois · Itasca, IL

- Fire service and paramedic skills; completed Fire Academy.
- 911 emergency response and incident-stabilization experience.
